

# Application for Zoning, Site Development and/or Building Permit

PROJECT ADDRESS: \_\_\_\_\_

PERMIT NUMBER: \_\_\_\_\_

Village of Ruidoso  
313 Cree Meadows Drive, Ruidoso, NM 88345  
Phone: 575-258-6999

The following steps may be required in order to obtain a zoning, grading, or building permit for new construction that changes the use or adds to the development footprint:

Submit documentation from the Village Forester that the lot assessment inspection requirements have been or will be met

1. Submit 2 copies of a site development plan (the following may be required)
  - a. Topographic map of existing and proposed conditions with minimum 5 foot contours
  - b. Show finished grade and drainage around building
  - c. Scale accurate drawing showing location of all existing and proposed structures, walls, parking and drainage features
  - d. Location of ingress and egress
  - e. Height of retaining walls and at horizontal breaks along top of wall
2. Submit a 911 address obtained from either the County or the Village (County, 575-648-2385 x138) (Village, 575-258-6999) (Village address certification included in review of application by Planning, Zoning & Building staff.)
3. Submit a floodplain certification from the County if required (Curt Temple, 575-258-5934). Village floodplain certification included in review of application by Planning, Zoning & Building staff.
4. Submit evidence of compliance with storm water requirements (<https://www.epa.gov/npdes/npdes-stormwater-program>) ([www.nmenv.state.nm.us](http://www.nmenv.state.nm.us) or 505-827-2798)(show drainage control to an approved location and erosion control on site plans)
5. Please reference the Guides to Plan Checks and the Submittal Plan Checklists and/or Remodel Plan Requirements at (<http://www.ruidoso-nm.gov/index-building-permits-inspections>) under the section Design Information to help determine the documentation required for submittal.

Note: On-site wastewater disposal and manufactured housing are governed by the State of New Mexico (Wastewater, 575-258-3272) (Mfg. Housing, 575-524-6320) (NM Regulation & Licensing Department, Construction Industries Division, 505-476-4700) (<http://www.rld.state.nm.us/construction/>)

11. Responsible Design Professional: \_\_\_\_\_ Phone: \_\_\_\_\_
12. Plan(s): No- Yes- Plan(s) Type: Large- Small- Electronic-
13. Percent Slope of Building site: \_\_\_\_\_

Project Address: \_\_\_\_\_  
Contracting Company: \_\_\_\_\_

CAUTION: I/we have carefully examined and read this application and know the same is true and correct. I/we are also aware that whoever is indicated as the "Contractor" assumes full responsibility for this application and for the construction and will comply with all provisions of the Building Codes and Village Ordinances and State Laws, whether herein specified or not. I/we further understand that the Contractor, Plumber and/or Electrician are the only persons authorized to request inspections, and the plumbers and electricians must file for their own applications. To start construction before a building permit is issued and/or to use and occupy the premises before a U & O Certificate is obtained is a violation of the law.
