**CAUTION:** I/we have carefully examined and read this application and know the same is true and correct. I/we are also aware that whoever is indicated as the "Contractor" assumes full responsibility for this application and for the construction and will comply with all provisions of the Building Codes and Village Ordinances and State Laws, whether herein specified or not. I/we further understand that the Contractor, Plumber and/or Electrician are the only persons authorized to request inspections, and the plumbers and electricians must file for their own applications. To start construction before a building permit is issued and/or to use and occupy the premises before a U & O Certificate is obtained is a violation of the law.
